## SECOND RESPONSE TO REQUEST FOR SUBSTITUTE PAPERS

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Dear Sir:

Applicant filed a response May 16, 2002 in response to a receipt of a Request for Substitute Papers issued in the above identified application on April 15, 2001 (copy enclosed) requesting a copy of the papers filed 02/07/02 (mailed by Applicants 12/06/01, in response to a Notice of Incomplete Reply for drawings not in compliance with 37 CFR 1.84 because of margins). Applicant has now procured better quality copies of fourteen sheets of the drawings (Figures 1 through Figure 5J of the drawings filed with that response. Applicant forwards these copies to the Patent Office to be substituted for the corresponding copies of Figures 1 through 5J (14 sheets) previously submitted. At the time of the Patent Office request, Applicant did not have any remaining good quality copies of the drawings now being submitted.

The Request for Substitute Papers indicated that the reply be submitted by facsimile however, since the requested materials are drawings, Applicants are submitting these copies via Express Mail reply to Box Duplicate OIPE, as indicated in the Request.

If the Examiner feels that a telephone conference with Applicant's attorney would advance the prosecution of the application, he is invited to call the undersigned at 901-537-1108.

Respectfully submitted,
